Subject: FROM REGULATORY AFFAIRS -- Joint Commission Survey

As you may know, we are expecting an unannounced accreditation survey by the Joint Commission between now and early 2010. Regulatory Affairs is assessing the educational needs of managers, staff, physicians and leadership to be "survey ready."

Please take a few minutes to complete a brief, anonymous survey by clicking on http://www.surveyconsole.com/console/TakeSurvey?id=546806

The information captured will help improve our outreach strategies and plan for educational initiatives related to survey preparation.

Please contact me if you have questions.

Thanks,

Rita Mistry
