Hello All –

As you may have heard, we are expecting an unannounced accreditation survey from The Joint Commission (TJC) between now and early 2010. Regulatory Affairs is assessing manager, staff, physician and leadership "survey readiness" educational needs.

Please take a few minutes to complete a **brief, anonymous survey** by clicking on the following link: http://www.surveyconsole.com/console/TakeSurvey?id=546806

The information captured will help improve our outreach strategies and plan for educational initiatives related to survey preparation.

Please contact me if you have questions.

Thanks,
Rita Mistry
