Subject: Call for Nominations to NRMP
Date: Monday, November 24, 2008 10:21:08 AM
Attachments: NRMP Call for Nominations-2009 Appointment.pdf

The National Resident Matching Program (NRMP) is seeking nominations for one resident physician position on its Board of Directors. A summary of the qualifications and background being sought is attached to this email. The Board meets twice each year, usually in May and October. Additional day-long meetings may be required for Board committee work.

If you wish to submit nominations, please include the nominees' curricula vitae or resumes along with a letter of support. The deadline for receipt of nominations is February 1, 2009. Nominees who meet eligibility criteria will receive a supplemental application to further define their understanding of and experience with the NRMP. A slate will be presented for election by the full Board at its May 2009 meeting, and the two-year term of service for the newly-elected Board member will commence July 1, 2009.
