October Diversity Events at UCSF

Multiple events are happening at various campuses of UCSF throughout the month. All are described here:

<http://today.ucsf.edu/stories/ucsf-to-celebrate-diversity-with-series-of-free-events>

Events this week:

TONIGHT (Mission Bay): Free movie & popcorn, "Medicine for Melancholy"

TOMORROW (Parnassus): "The Challenges of Cultural Competence, the Relevance of Cultural Congruence and the Urgency of Developing HIV/AIDS Interventions for Ethnically Diverse People"

TOMORROW (Parnassus/Mission Bay): "Brain Gain" lecture on positive & negative effects of neuroenhancing drugs

Thurs, Oct 22 (Parnassus): Keynote by UCSF Chancellor Emeritus Philip R. Lee, MD

Fri, Oct 23 (Laurel Heights): Health Disparities Research Symposium & LGBT Health Research Symposium
