

# UCSF School of Medicine San Francisco Hotels with Negotiated UCSF Corporate Rates

The Dean's Office has compiled a list of hotels in San Francisco with a UCSF corporate rate. Please ask the reservationist for our rate upon the time of booking.

This list has been created as a tool to help SOM staff/faculty. You are by no means limited to the hotels on this list, nor may they be the best rates at the time of booking.

We hope you find these suggestions helpful and welcome your feedback.

**Please call the hotel directly to make a reservation.**
