

UCSF School of Medicine Recommended Restaurant List

**For more information, please contact:
Stephanie Belger
476-1279 or belgers@medsch.ucsf.edu**

Last updated 3/2013

The Dean's Office has compiled a list of restaurants that are appropriate for business dining within the University dinner limit of \$78 per person. This list has been created as a tool to help SOM staff/faculty who are organizing events. We hope you find these suggestions helpful and welcome your feedback. You are by no means required to use the restaurants on this list.

For all restaurants, you should call ahead to discuss and confirm pricing. For those restaurants with a UCSF arrangement, speak with the UCSF contact and reference the UCSF restaurant list. For those restaurants without a UCSF arrangement, call to confirm that a two-course meal including wine, tax and tip will be under \$78pp.

Although these restaurants are on our recommended list, you are still responsible for making sure your event complies with all applicable University policies. See [Business and Finance Bulletin BUS-79](#) for further information.
